**Healthvision Announces New R&D Office in Shanghai**

**DALLAS – March 31, 2009** – Healthvision announced today that they have expanded their research and development arm into Shanghai, China. This office will be responsible for all development and support services for our Asia Pacific market.

The office will be led by Dr. May Hu, Senior Vice President of Research and Development. Dr. Hu brings decades of experience in the management of globally distributed development teams and deliveries.

“Healthvision is dedicated to the highest levels of quality and service. To this end, the Shanghai office will support the continual effort to improve operational efficiency in R&D delivery across all our product lines,” said Russell Fleischer, Healthvision’s chief executive officer.

The Shanghai office will be located at Suite A, 3rd Floor, 545 Long Hua Road West, Shanghai 200232, P.R.C., Phone: 21-64640038

**About Healthvision**

Healthvision is a leading provider of healthcare specific software and services. We provide innovative, cost-effective solutions enabling vital access to healthcare information anytime and anywhere, improving clinical and financial outcomes. Our solutions, powered by Cloverleaf Integration Suite, are at work in thousands of facilities around the globe, including 40 percent of all large Integrated Delivery Networks, and 33 percent of U.S. hospitals.
